

Waste

In Saas-Fee, waste disposal is subject to a fee. The orange refuse sacks, which are subject to a charge, can be purchased individually in all grocery shops.

The rubbish bags must be placed on the main road (at the corner of the Bocalino restaurant) by 13.00 on Tuesday and Friday. In the meantime, they can be deposited in the rubbish bin opposite the Tea-Room Imseng.

We offer the disposal of glass, paper and pet, as well as tin and steel cans. Just leave them in the flat.

Cardboard and Tetra belong in the rubbish.

Please do not throw away batteries, you can leave them in the flat, we will take care of it.

Thank you for helping us to dispose of waste correctly!
